### Line 2

Enter the book value of investments by the taxpayer in the equity of other taxpayers doing business in Alabama.

List investments in entities actively engaged in doing business in Alabama. Merely being registered or qualified to do business in Alabama does not constitute doing business in Alabama. Include the amount of each investment, the FEIN of each entity, and the name of each entity.

This exclusion does not apply if the taxpayer is a dealer in securities subject to 26 U.S.C. Section 1236. (Section 40-14A-23(g)(1))

### Line 3

#### For Financial Institutions Only

Financial institutions may exclude from net worth determined in Schedule A their investment in the equity of any other corporation or LLE that: (1) does not pay business privilege tax to Alabama, and (2) taxpayer owns more than 50% of the other corporation or LLE, unless the other corporation or LLE is dormant and not regularly engaged in one or more business activity. This exclusion does not apply if the taxpayer is a dealer in securities subject to 26 U.S.C. Section 1236. (Section 40-14A-23(g)(2))

### Line 4

Enter from taxpayer's balance sheet, the unamortized portion of goodwill and core deposit intangibles (for financial institutions only), which resulted from a direct purchase of another LLE or corporation. Must include supporting documentation that includes (1) Name and FEIN of entity acquired, (2) Date of acquisition, (3) Name and FEIN of entity that directly purchased the above entity, (4) Original amount of goodwill, (5) Accumulated amortization, and (6) Unamortized portion. (Section 40-14A-23(g)(3))

### Line 5

Exclude any unamortized balance that the taxpayer properly elected, pursuant to Pronouncement 106 of the Financial Accounting Standards Board (FASB), relating to post-retirement benefits, to amortize over a period of years rather than immediately charging that amount to earnings. Must include a description of benefits, amortization schedule, and the location of the amount on the balance sheet. (Section 40-14A-23(g)(4))

### Line 6

For financial institutions only, enter the net worth as adjusted exceeding 6% of the taxpayer's total assets. Net worth as adjusted is calculated by subtracting from Schedule A, Line 6 the sum of (Lines 2-5) from Schedule B. (Section 40-14A-23(g)(5))

### Line 9

The apportionment factor is used for multi-state entities. For taxpayers that conduct all of their business in Alabama, use 100% as the apportionment

factor. No supporting documentation is necessary for those entities. All other entities attach appropriate apportionment schedule.

The apportionment factor is computed in the same manner as prescribed for apportioning income during the determination period for income tax purposes in accordance with Chapter 18 of Title 40, or in the case of financial institutions according to Chapter 16 of Title 40. Apportionment for insurance companies is on the basis of the ratio of the insurer's Alabama premium income to its nationwide total direct premiums as filed on Schedule T with the Insurance Commissioner, State of Alabama. Taxpayers not required to file income tax returns with the State of Alabama must apportion net worth in the manner in which the income would be apportioned if the taxpayer were subject to income tax. Therefore, these taxpayers must obtain an apportionment Schedule from the Alabama income tax return at the Department's Web site at [www.ador.state.al.us](http://www.ador.state.al.us). C Corporations should use Form 20C, Schedule D1, S Corporations should use Form 20S, Schedule C, and Partnerships should use Form 65, Schedule C. (Section 40-14A-24(a))

**DEDUCTIONS** (For each deduction attach supporting documentation)

Nothing in this section shall be construed to allow any item to be deducted more than once or to allow a deduction for any item that is excluded from net worth. (Section 40-14A-24(c))

Items can only be deducted to the extent they were included in net worth in Schedule A.

**Line 11**

Enter net amount invested in bonds or other securities issued by State of Alabama or any political subdivision of the state prior to January 1, 2000. Must include a schedule detailing the amount invested, the issuing agency, the bond issue date, and the location of the investments on the taxpayer's balance sheet as supporting documentation.

This deduction does not apply if the taxpayer is a dealer in securities subject to rules of 26 U.S.C. 1236. (Section 40-14A-24(b)(1))

**Line 12**

Deduct the net investment for equipment used to control, reduce or eliminate air, ground, or water pollution in Alabama where such pollution or radiology hazards result or would be caused by the taxpayer's activities in Alabama. (Section 40-14A-24(b)(2))

**Line 13**

Deduct the net investment in equipment of an airline hub operation within this state. (Section 40-14A-24(b)(3))

**Line 14**
