Alabama Uniform Certificate of Title and Anti-Theft Act

- Established by Act 765 of the 1973 Regular Session of the Legislature. The Alabama Uniform Certificate of Title and Anti-Theft Act mandates the following:
- All motor vehicles, unless specifically exempted, that are denoted as 1975 or subsequent year models are required to be titled in Alabama.
- All travel trailers manufactured as 1990 or subsequent year models are required to be titled in Alabama.

Title Law Exemptions

The Alabama Uniform Certificate of Title and Anti-Theft Act exempts certain vehicles from titling requirements. These exemptions are as follows:

- A vehicle owned by the United States or any agency thereof
- A vehicle owned by a manufacturer or dealer and held for sale, even though incidentally moved on the highway or used for purposes of testing or demonstration, or a vehicle used by a manufacturer solely for testing
- A vehicle owned by a nonresident of this state and not required by law to be registered in this state
- A vehicle regularly engaged in the interstate transportation of persons or property for which a currently effective certificate of title has been issued in another state
- A vehicle moved solely by animal power

Exemptions - Continued

- An implement of husbandry
- Special mobile equipment
- A pole trailer

Title Law Exemptions

- (1) **Effective January 1, 2012**, no certificate of title shall be issued for any trailer, semi-trailer, travel trailer, or utility trailer more than twenty (20) model years old.

This exemption is applicable on January 1 of each year and applies to all trailers, semitrailers, travel trailers, and utility trailers with a model year, as designated by the manufacturer, older than twenty (20) years from the current calendar year.

(a) Example: As of January 1, 2016, all 1995 and prior year model trailers, semi-trailers, travel trailers, and utility trailers are exempt from the titling provisions of Chapter 8, Title 32, Code of Alabama 1975.

Title Law Exemptions

- (2) **Effective January 1, 2012**, no certificate of title shall be issued for any motor vehicle more than thirty-five (35) model years old. This exemption is applicable on January 1 of each year and applies to all motor vehicles with a model year, as designated by the manufacturer, older than thirty-five (35) years from the current calendar year.

(a) Example: As of January 1, 2016, all 1980 and prior year motor vehicles are exempt from the titling provisions of Chapter 8, Title 32, Code of Alabama 1975.

- (3) **Effective January 1, 2012**, no certificate of title shall be issued for a low speed vehicle. A low speed vehicle is defined as a four-wheeled motor vehicle with a top speed of not greater than 25 miles per hour, a gross vehicle weight rating (GVWR) of which is less than 3,000 pounds and complying with the safety standards provided in 49 C.F.R. Section 571.500. The term includes neighborhood electric vehicles.

Title Law Exemptions

- (4) **Effective January 1, 2013**, no certificate of title shall be issued for a motor-driven cycle as defined in Section 32-1-1.1, Code of Alabama 1975. A motor-driven cycle is defined as every motorcycle, including every motor scooter, with a motor which produces not to exceed five brake horsepower nor to exceed 150 cubic centimeter engine displacement, and weighs less than 200 pounds fully equipped, and every bicycle with motor attached.

Title Law Exemptions

- (5) No title records will be maintained by the Department of Revenue for any motor vehicle or manufactured home exempted from titling under the provisions of Chapters 8 or 20 of Title 32, Code of Alabama 1975, or any rules promulgated thereunder
 - (a) Example: As of January 1, 2016, the title records for the following motor vehicles will no longer be maintained due to the motor vehicle being exempt from titling by statute or rules promulgated thereunder:
 1. Trailers more than twenty (20) model years which would include all 1995 and prior year model trailers.
 2. Manufactured homes more than twenty (20) model years old which would include all 1995 and prior year manufactured homes.

Secure Power of Attorney (MVT 8-4)

- The Federal Truth-in-Mileage Act of 1986 permits States to provide a power of attorney form for use by owners when transferring their motor vehicles, and their certificate of title is held by a duly recorded lienholder, or the certificate of title is lost, and a replacement certificate of title must be obtained.
- Such power of attorney can be used to disclose the vehicle's odometer reading in the assignment of title by the titled owner and will also permit the transferee to complete the assignment of title.
- The odometer disclosure in the title assignment must be exactly as stated in the odometer disclosure made in the power of attorney.
- The Federal Truth-in-Mileage Act of 1986 mandates that the power of attorney, utilized to transfer a vehicle under the above conditions, be printed by a secure printing process.
- The Final Rule issued by the National Highway Traffic Safety Administration (NHTSA) regarding such secure P.O.A., defines an original P.O.A. in such a manner that allows for the use of a multiple-part secure power of attorney form where each part is considered to be an original when the copies are printed on secure paper.
